

BAY AREA URBAN DEBATE

The Bay Area Urban Debate League (BAUDL) is one of 24 urban debate leagues at work in some of the largest cities in the US, including New York City, Los Angeles, Atlanta, and many more. The BAUDL is dedicated to expanding opportunities for youth in the San Francisco Bay Area to participate in rigorous, exciting competition and to become articulate and informed leaders in their schools and communities.

BAUDL currently partners with San Francisco and Oakland school districts to bring this amazing activity to the young people of the Bay. With the help of dozens of volunteers and sponsors, the league supports students of any background and at all levels of academic achievement in becoming trained and powerful advocates and skilled critical thinkers, ready to graduate from high school and take on the world.

“My experience in the UDL sharpened my reading, writing, speaking, and thinking skills, and improved my grades and standardized test scores. I entered college with more self-confidence than many of my peers.”

– **Tracy Carson**, UDL alumna and Marshall Scholar at Oxford University

The BAUDL Summer Debate Institute will be held at Westlake School in downtown Oakland, at 2629 Harrison St, Oakland CA 94612.

The school is conveniently located near the 12th Street and 19th Street BART station. The location is also served by many major Oakland bus lines, including the **11, 12, BA, NL, and 805.**

Passes to Bus lines and BART will be provided to all attending students.

DEBATE GETS YOU INTO COLLEGE AND BEYOND

No matter if business, law, community work, even music or sports is your path, you will need to be able to speak your mind clearly and powerfully so that all people can understand. Debate is a competitive team sport that offers the ultimate training for any career that involves making an argument or doing research (i.e., almost every career). Thousands of students across America have earned scholarships to college because of their participation in debate. These are just a few of the careers that debate will prepare you to take on:

- Law: Policy Analyst, Lawyer, Politician
- Advocacy: Community Organizer, Educator, Non-Profit Leader
- Words: Journalist, Author, Poet, MC
- Business: Entrepreneur, Manager, CEO

DEBATE IS FUN

Ask the thousands of young people who debate why they're in this activity, and most will tell you that they can't get enough of it. The fact is that speaking your mind in a competitive forum where adults *have to listen to what you say* is an amazing feeling. The trophies you win, the friends you gain, the places you travel to, all of these make debate the opportunity of a lifetime, both for your education and your enjoyment.

JOIN US AT THE SUMMER INSTITUTE

If you are even thinking about debating for your school in the fall, you should definitely come to the summer institute. We have gathered some of the top debaters - and teachers - in the nation to help you get a taste of what debate is all about.

The training will cover debate theory, research techniques, and topic-specific instruction. You will also hear talks from nationally recognized experts and participate in small, individualized lab groups led by some of the most competitive debaters in the country. And most importantly, you will learn to give your point of view on all the hot topics of the day, from hip hop to violence to the presidency.

Breakfast and lunch, as well as bus and BART passes to and from the institute, will be provided. There will be prizes given out every day, including iPods and gift cards. To reserve your spot in the institute, fill out the form to the right and return it to the BAUDL at **1020 Peralta St, Oakland, CA 94607**. We look forward to seeing you at the third annual Bay Area Urban Debate League Summer Institute!
